

Hi Sam

I just wanted to say a MASSIVE thank you to Mr Girgis!!! I am so happy with my new lenses and super grateful that I can see I instantly with out glasses. I've even reached for them this morning out of habit even thought I can see clearly.

I just can't emphasise how much it's changed my life and I can't thank you all enough!

After wearing glasses for 20 years mr girgis recommended the trifocals which I had never heard of but after his recommendations and help with my blepharitis I am just super happy having this operation done.

Honestly thank you again.

Kind regards

Miss ET
